Selection of candidates for National Crime Bureau

6233. SHRI SURESH PACHOURI: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether it is a fact that more than 5,000 candidates had applied in response to an advertisement for the posts of Data Processing Assistant in the National Crime Bureau, in 1993;

(b) whether it is also a fact that the selections have not been made so far and the candidates are still waiting to be called for test/interview;

(c) if so, what are the facts and reasons for not holding the selection and what action Government propose to take in this regard; and

(d) whether the candidates, who in the meantime crossed the maximum age limit, would be considered in the selection?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI P.M. SAYEED): (a) to (d) Twenty five vacancies of Data Processing Assistants (Grade 'A') (Group 'C') were advertised in the Employment News on 18.6.93. In response to the advertisement, 4524 were received till 31.8.1993, the last date for the same. Considering the heavy response, a suitable methodology for screening and a procedure for conducting written trade tests and viva voce tests will be implemented soon after formulation. In accordance with the orders of the Government, the age-limit prescribed is 30 years for direct recruitment, relaxable upto 40 years (upto 45 years in respect of SC/ST candidates) in the case of Government servants. The crucial date for determining the age-limit shall be the closing date for receipt of applications from candidates.
